

To Whom it May Concern,

Over the past year I've had the pleasure of working with Stone Etc. on a 153 unit mixed family project in Los Angeles.

Stone Etc. performed remarkably well vis-à-vis quality, cost and schedule. With a great work ethic they remained engaged and communicative throughout the project.

Whether it be working through owner changes, identifying alternate finish options or flexibly adapting to maintain schedule commitments, Stone Etc. has proven themselves to be a trusted partner capable of adding value to projects from start to finish.

Sincerely,

Michael Piscitello
Project Manager
